

Blankets! Blankets!

Hundreds of pairs just put in stock ready for cool weather. We are exceptionally fortunate in the face of the big government demand to be able to offer such a complete line this early. Good blankets are going to be very scarce and high in price. Every blanket in our stock was bought last April and you must know that this early buying has saved us and you considerable money.

Capp's Indian Blankets

for home and auto use, one hundred per cent wool. Every blanket represents an Indian tribe. See these beautiful designs.

Bath Robe Blankets

with cords and frogs to match. See this display. Prices are sure to be higher later.

Nashua Woolnap Blankets

Though all cotton they have a deep soft nap that isn't speiled by wear and washing; the best cotton blanket obtainable, all weights and colors.

Comfortables

With either cotton or wool fillings, covered with silkalines, a splendid variety of patterns; \$1.50 to \$7.50 each.
